Opening at Sacred Fools Theater in Hollywood in May 2010

Los Angeles, CA (9/03/09) – Sacred Fools has allied with renowned filmmaker and artistic firecracker Richard Elfman (*Forbidden Zone*, *Modern Vampires*, *Shrunkened Heads*) to create a live theatrical performance based upon his seminal 1980 film that featured the first cinematic score from Danny Elfman. Playwright Michael Holmes has adapted the film of *Forbidden Zone* for the stage so that the manic energy and impossible happenings can be effectively portrayed in the flesh and accompanied by a full live band that promises to deliver a wild and energetic show every performance. Director Scott Leggett has assembled a production team that is currently reshaping the Sixth Dimension so that it can be contained within the confines of Sacred Fools theater.

Forbidden Zone: Live in the 6th Dimension will feature musical numbers from the original film.
